This will be an agenda item at the next meeting

V48 To discuss the booking of the next Rospa inspection by Playsafety Ltd

Last year the inspection of all three play areas cost £331.80 inc vat

Resolved

To book the next Rospa inspection for the three play areas in the village with Playsafety Ltd

V49 To discuss the request for a donation from Kellington & Whitley PCC

The Parish Council has received a request for a donation from Kellington & Whitley PCC towards the upkeep of the graveyard. However, the YLCA have advised all Parish Councils that they are unable to donate to churches as they are prohibited by Sec 8 of the Local Government Act 1894 from contributing towards the expenses of any work to land or building owned by a church.

Resolved

The Clerk will advise Kellington & Whitley PCC that following advice given by the YLCA, the Parish Council is unable to make donations to Churches due to Sec 8 of the Local Government Act 1894

V50 To be informed of the Public Sector Bodies (Websites and Mobile Applications) (no. 2) Accessibility Regulations, 2018

The YLCA have sent all Councils a copy of a briefing produced by the National Association of Local Councils in 2018 regarding duties being introduced that will need to be adhered to by local councils. This was circulated to all Councillors prior to the meeting. The duties concern accessibility standards, i.e. making the content of council websites and mobile applications as accessible as possible to members of the public. Although the 2018

Regulations are now in force, the new duties will not apply to websites in existence prior to 23 September 2018 until 23 September 2020. For websites that have been created on or since 23 September 2018, the deadline is 23 September 2019. The new duties will apply to a mobile application from 23 June 2021.

The Clerk has contacted 2 Commune who have advised that an update on the Accessibility Regulations were posted on all websites on 20th June 2019 advising that the current Accessibility Statement on the Parish Council website has been updated in line with the new regulation and the link is in the footer of the website

V51 To discuss current highway matters

Councillor White reported on his meeting with the Highways Officer on 19th June to discuss the siting of the two millstones.

The Officer has advised that the two proposed locations chosen by the Parish Council have been approved and Councillor White provided a scaled drawing for the Officer so that the appropriate licences could be completed.

Following the meeting the Officer sent Councillor White copies of a number of sign designs which could go on the millstones and these were discussed by Councillors. A circular sign is preferred and Councillor White will contact the Officer to request that a further circular design be provided.

Councillor White also met with another Highways Officer on 13th June to discuss the possible deployment of Vehicle Activated Signs in the village

The Officer advised that a VAS can be installed on the streetlight on Weeland Road adjacent to Greenacres. The sign has to say '30 Slow Down', it is not possible to have a sign that shows the speed vehicles are doing.

There are currently two VAS available that have been approved by NYCC:

-A circular sign that alternates between 30 and Slow Down

-A Rectangular sign showing 30 and Slow Down at the same time

Contractors will install the signs and train the Parish Council on the resiting of the sign as it can only be in the same location for 6 months at a time, and the changing of the batteries.

The Parish Council will also have to sign a legal agreement with NYCC

Councillors discussed solar power options as Chapel Haddlesey have one. The Clerk will contact the Parish Council to obtain further information.

As regards costs for the signs discussed with the Officer, Councillor White advised that the circular VAS, complete with a 5 year warranty and spare battery, would cost approx. £3270 + vat.

Councillor Wright will research other options for discussion at the next meeting

Councillors also discussed 30mph stickers that can be put on wheelie bins. Councillor White will obtain information about these from Whitley Parish Council who use them

V52 To receive reports on meetings attended

- Councillor Johnson reported on the 2nd meeting of the Southmoor Energy Centre LCC on 5th June
- Councillor Johnson advised that he had attended the 'Off to a Flying Start' course for new Councillors

V53 To be informed of correspondence received to date

Clerks & Councils Direct – to be circulated

V54 Exchange of Information

- Newsletter has gone for printing
- Councillor McKenzie advised that Hensall have seen a rise in anti-social behaviour
- Councillor Spencer advised that a drone has been seen in the village

V55 To be informed of minor items for delegation to the Clerk and items for the next agenda

None

The meeting closed at 8.45pm

The next meeting will be held on Thursday 5th September
